THE DIRECTOR OF  
CENTRAL INTELLIGENCE

82-2544

National Intelligence Council

2 March 1982

NOTE FOR:

SA/DCI/IDA

3 Mar 82

I understand that the DCI is concerned that large numbers of Salvadoran guerrilla trainees may be exfiltrated from Nicaragua to disrupt the Salvadoran elections. The purpose of this exercise was to nail down exactly how many Salvadoran guerrillas are in Nicaragua and how good our intelligence is on the subject.

If the Director has any questions, I would be more than willing to come up and discuss the matter more fully with him.
